

Dennis Aguiar

April 16, 2021

It is with great sorrow that we announce the loss of Dennis Aguiar, 66, who passed away unexpectedly at home April 16, 2021.

Born November 25, 1954 in Providence, he was the son of the late Manuel and Dolores (Pacheco) Aguiar. He is survived by his beloved wife and caregiver of 47 years Lisa (D'Oliveira) Aguiar, his loving son Dennis Aguiar Jr and his adoring daughter Jamie Hill, the quintessential Daddy's little girl. And of course, as a loving and devoted grandfather, he is survived by his 3 grandchildren, Katarina, Jaxson and Christian Aguiar, who were the lights of his life. The oldest of 7, Dennis is also survived by his 6 siblings, Debra Sajewski, Wayne Aguiar, Kevin Aguiar, Richard Aguiar, Brian Aguiar and Sandra Prestia.

Though Dennis's path through life was never easy, it never dimmed his incredible sense of humor. He loved few things in life as much as a good laugh & sharing that laugh with those he treasured most. Ever the life of the party, no one who ever shared a laugh with him will soon forget that infectious sound. You just couldn't resist joining in. An avid sports fan, every Patriot's or Bruin's game would find him heading for his mancave, welcoming all who wished to join. Dennis had a heart of gold, overflowing with his deep love for his beautiful wife and family. Lisa was ever his touchstone, his heartstone.....the love of his life.

The sun now shines just a little less brightly now.....a light has now left our lives.

A Memorial Mass will be held will be held Saturday May 1, 2021 at 11:00 a.m. at Sacred Heart Catholic Church, 118 Taunton Avenue, East Providence. In lieu of flowers, the family would appreciate any memorial donations be given to The American Cancer Society.
