

Anthony John Volatile

February 12, 2026

Antonio John Volatile, 82, of Coventry, Rhode Island, passed away suddenly on February 12, 2026.

Born in Providence, Rhode Island, Anthony was the beloved son of the late John and Angelina Volatile. A lifelong Rhode Island resident, he built a life centered on faith, family, hard work, and service to others.

Anthony was a man of many talents and unwavering dedication. A master carpenter by trade, he took great pride in his craftsmanship and the many homes and projects shaped by his skilled hands. In addition to his carpentry work, he owned and operated his catering business, Finest Catering, where he brought people together through his love of food and hospitality. He also honorably served his country in the Army Reserves.

Deeply committed to his community, Anthony served for many years as a Little League coach, mentoring and encouraging young athletes both on and off the field. He was an active member of his church ministries, contributing his time to video media, nursing home outreach, and mission work in El Salvador. His generosity of spirit and willingness to serve left a lasting impact on many lives.

Anthony enjoyed fishing, camping, and entertaining friends and family. He was an avid sports fan who especially loved baseball, boxing, and mixed martial

arts. He will perhaps be remembered most for his excellent sense of humor and quick wit. Anthony had a remarkable gift for making people laugh, bringing joy and lightness to every room he entered. Above all, he cherished the time he spent with his family.

He is survived by his beloved wife of 62 years, Barbara; his sister, Marguerite Rallis; his children, Dina Tousignant and her husband Michael, Anthony Jr. and his wife Kristine, and John and his wife Leah; his nine grandchildren, Nathan, Victoria, Luc, Austin, Caroline, Noah, Lorenzo, the late Isabella, Anthony, and Logan; and his six great-grandchildren, Nolan, Noelle, Maisy, Sunday, Norrie, and Johnny.

Anthony's legacy of love, laughter, faith, and service will live on in the hearts of all who knew him. He will be deeply missed and forever remembered.

I will forever miss him! He was like a father to me for my younger years. I will never forget his gentle spirit and his love for his family. He loved and protected them fiercely. He had such an amazing sense of humor that it lit up the room when he spoke. He was kind caring and loved to beat you in cards. I didn't like that part of it 🤔 but I loved spending time with him. I feel blessed to have known him and I will forever feel sad that he has passed. I love you Papa Tony.... Until we meet again! Please give my parents a big hug for me... 💔💔

Still got the moves. Together forever since puppy love. Whenever Tony was in a room, you just knew you were gonna have a good time. We sometimes referred to him as Dr. Volatile bc he knew a little bit about every subject, especially science. It's an indescribable loss & we will have to rely on the beautiful memories he gifted us. He was a man of God, a devoted husband, father, brother, uncle & friend to all he knew. We already miss you sooo much. Make them laughin Heaven. Wait for us.

In my previous post I forgot to mention 2 parents who had a beloved & ideal son. They cherished Tony. He could do no wrong - and never did. He was always there for them when needed. A snow shovel in the winter months, a lawn mower when the grass grew. He was perfection! Just sayin.
