

## Brittni Alicia Quinn

July 23, 2023

Brittni Alicia Quinn, 32 of Woonsocket, passed away unexpectedly of an overdose.

Born in Warwick and raised in East Greenwich, she was the loving daughter of Kimberly A. Quinn of East Greenwich, cherished sister of Bethany A. Quinn of Warwick and Brandon A. Quinn of North Kingstown, aunt of Simara Alvarez of Woonsocket and granddaughter to her beloved “Mammy” Barbara J. Corbett of East Greenwich.

She is survived by the loves of her life, her children Delilah R. King and Jordin M. Plouffe of East Greenwich and Roman C. Fratus of Warwick.

Brittni attended East Greenwich High School. She had a passion for reading and her children were the center of her world. She loved helping the homeless because she understood what it was like.

She had a passion for swimming, fishing and hanging with her best friends. Brittni suffered from mental illness, but was still kind, empathetic and the most non-judgmental person we knew.

Brittni will be forever loved and deeply missed.

Funeral Services will be held August 10, 2023 from 4:00 - 7:00 p.m. at Stony Lane Church, 921 Old Baptist Road, North Kingstown, RI.

AN

“ We met in the group home, shared secrets, bonded like family && shared a lot of laughs && memories. I thought you were mad at me I had sent a request never in a million years did I think you left me. I love you && the kids always especially my Titis girl lala. I was there for the first months of her life. Eating medium dominos pizza together, watching nip tuck. Laughing obnoxiously always, I’m crying again. I almost died of allergic reaction as soon as I got better I sent a request I thought you were mad but you never held grudges. You were misunderstood. I remember being in the phone with you for hours at your lowest moments. I’m legit just so sad Brit. Many may not have understood you && no one understood me but you. Babe I love you forever. I’m so sorry. I miss you terribly. We always found our way back to each other. I can’t find anymore words, the memories are filling my mind. You coming from east greenwhich to south side you wouldn’t leave the house with out me. I love you. I love you I love you I love you 🎻💚 this one hurt different. 14 years. Day && I love you auntie Brittini. Just like with Lin I promise to make sure your memories live on. I love love love you. I love you
