“ Charlie was a wonderful man. He was always willing to help with his skills of carpentry.

He enjoyed his retirement, traveling and visiting many places.

He has 3 wonderful children and I am sure he will be missed by all his family and friends. Charlie loved good food. I remember how his daughters would bring him food and one daughter baked and the other prepared a meal. One time my daughter made him stuffed peppers and he thought he had a gourmet meal.

He and Joanie got along well and enjoyed so much together. He loved putting around, using his carpentry skills, while Joanie worked on her beautiful flower garden and vegetable garden. Their lives were full, with family and friends.

Rest in peace my dear brother in law.
