“ I have very fond memories of the times Claire and I had spent together. We liked to watch the old western movies together. We also loved to watch the Hallmark Christmas movies. She would call me or I would call her when one of our favorite movies was playing. One of our favorites was A Crown for Christmas. We would watch it over and over again. Claire had a heart for God and she loved to talk about Jesus. She lived her life for God. She will be missed but I know that she is at her final resting place and she is finally home with Jesus. Until we see each other again, love you, Wanda

“ My Meumere, a true woman of God who taught me so many incredible life lessons. I will be forever grateful for the time we had together. Life won't be the same without you but I know one day we will be picking wild flowers together again in heaven. I can't imagine you being any happier than you are now spending eternity with Jesus. All my love, your mon beau couer.

“ Ms Claire escorted into heaven by God her Heavenly father of whom she faithfully served him. I enjoyed talks about the West Coast and places where she visited , knowing I live on the West Coast and unbeknownst to both of us , we both visited places out west. God said He has prepared a place for those who He calls his own . You see Ms Claire heard the Shepard' s voice . And indeed resides with Him . She is such a lovely and classy woman who dressed to the nines a true fashionista but She loved her family most of all. She will be deeply missed but I know we will meet again in the Golden City with her Lord. A great Mother and Grandmother to her children and grand children as well . God will be with her loved ones now and in the days and years to come . My deepest sympathy and home coming for Ms Claire AND May her memory be for a blessing Shalom . Love , Francis' sister in Julie W Spokane Washington .
