“ So many memories, I am sitting here just thinking about all the ups and downs through out the years ,but no matter what was happening in David's life he always found a way to make you laugh, if it wasn't what he would say it would be how he would say it(with his charming smirk) . He was a VERY Unique man with a brilliant mind, heart full of love and a soul full of life , when at his best he had the ability to make the clouds disappear from anyone's sky and brightness of his joy would take away any fear or sadness around him. David was one of a kind and he will be missed. My favorite memory is his first Christmas with Ari and Noah after some yeaRs of separation , i have never seen him so happy and free as that day with his family. It was his first Christmas back and i know that memory will be cherished by everyone who was there. It was magical to witness. David absolutely loved his family, adored his sister and neice, loved his son very much and spoke of him to anyone'who would listen, and he truly loved and appreciated his parents Debra and Kevin as his heart was filled with gratitude for their endless support and unconditional love. MY deepest condolences to David's family and friends, all who loved him including his fiance Jodi and pup Zeus. You will be missed you crazy diamond.

ॐ NAMASTE DAVID

“ One of my favorite memories was when he was 9-10 years old and I was taking him to buy a new baseball glove. We were listening to Pink Floyd and Led Zeppelin and he said “can we just keep driving around, listening to these songs?”. They ended up being two of his favorite bands through his life. Love Mom ❤️
