

David Frederick Loveless

April 9, 2017

David Frederick Loveless was born in London, England, on Dec 5, 1938, to Percy George and Alice (Leeke) Loveless, the middle of three children, having two sisters, Margaret and Janet. He finished school and worked for British Rail for a bit. He met the love of his life, Barbara, and they were married on New Year's Eve, 1960. He served in the Army and was stationed in Germany for a time. He LOVED tinkering with cars and worked as a mechanic for many years. In 1971, he followed his love of mechanics and accepted a job in the United States. His Mum told him to look up family in RI, if things didn't work out in Maryland. Six months later, he was living with "the relatives" in RI, who took him in without question and housed, fed and helped him find his new life in RI. He later worked as a tooling machinist at Browne and Sharpe and a milkman for East Greenwich Dairy. He is predeceased by his Mum and Dad, his sister, Janet, and his wife, Barbara, and, most recently, his constant companion, his dog, Dreamer. He leaves behind his sister, Margaret and her husband John Greaves and their family in England, his brother in law Benjamin Batt and family in Canada, his daughter, Patricia, his son, Barry, four granddaughters; Serrissa, Krystine, Nicole and Alyssa and great grandchildren, cousins in England and Australia and nieces and nephews in England. He was a WONDERFUL man, ALWAYS ready to offer a helping hand. He LOVED spending time at the campground and walking his dog. He will be GREATLY missed by all who loved him.
