

David M. Wallace

David (Dave) M. Wallace, 72, of Nasonville passed away peacefully surrounded by his family and friends on Friday, February 6, 2026 after a long courageous battle with prostate cancer.

He was the beloved husband of Linda A. (Paul) Wallace for over 46 years. Born in Woonsocket, RI, he was the son of the late William Milton and Florence (Faford) Wallace.

David graduated from Burrillville High School in 1971. He served in the United States Navy during the Vietnam War. He spent majority of his life as a skilled welder and beyond talented pile driver working for Spencer White & Prentice, Moretrench and retiring from the Phoenix Foundation Company, Inc. in 2018.

In his spare time he loved having morning coffee with his wife, going fishing with his daughter, working on home projects with his son-in-law and curling up on the couch with his grand-pup Flex. He loved to spend time with his family and friends and any chance he could he loved to sing, whether for an audience or recording in his home studio. Sundays were for Nascar and the New England Patriots.

We will miss him dearly and his endless funny stories he loved to tell, but we know he is with us always and will continue to live on in the hearts of all those

who loved him.
