“ To my beautiful Sister, Dee, we spent so much time talking. From our childhood sharing the same bedroom to our adult life talking on the phone and in person. I love you and will miss you until the day I come to join you and Mom. I will think of you everyday! I remember when you tried to teach me to polka. We laughed so much that we were crying! All the memories I have of you will make me smile for many years to come! Even though you are no longer in my sight, you are forever in my heart! Your loving sister, Taffy.
