“ I met Donna at St. Thomas. Her love for her family and her strong faith emanated from her. Her strength in the face of illnesses and personal losses was amazing. I'll miss her friendly face and kind ways. May light perpetual shine upon her.

“ My Mother was truly an Angel On Earth, albeit, a Strong, Proud Viking Warrior Angel. She was very proud of her Icelandic Heritage. I love this beautiful photo of my Momma. May you rest in eternal peace ☐ 🌹

“ *My dear fraenka Donna has passed away. She was much loved by us all, the relatives in Iceland. She had her share of sorrows but stood strong at all times. I always respected her strength, good spirit, belief in god and her ability to tell a funny story. I will miss her visits to Iceland very much. I send my best to Sandy and all Donnas family. Good people live with us forever. Asdis*

“ *This woman was a gift from God who shed a light to make differences to all no matter what! Your role has changed but your work only continues as an Angel of God. So keep that light burning and I continue to thank you every day for making my days brighter. I just need to remember that when things come at me that isn't productive, just thinking of you changes those things. Thank God! And I must say, your legacy in the children you brought into this world makes differences as well, but I'll tell God not to break that mold of you! Now that you're reunited with George and others, have fun and keep making a difference! Love, T (aka Wingnut to you!) Ha!*

“ One of my favorite memories of Mama Donna was the first time Sandy came home from Alaska. We were never so happy to see someone get off a plane in our lives! May God hold you in the palm until we meet again. ❤️
