“ I love you I love you mom. I miss you so much. I know that you're now our guardian angels for me and Nick but we truly miss you a lot. We love you so much. You're a great mother greatest of all time goat greatest of all time mother, mom, friend, sister, we will never forget your mom. We love you so much. We miss you so much and I love you so much. this pain is very hard, but I know that you want me and Nick to carry on and we're going to try to do that for me. It's gonna be extremely hard. I know Nick for Nick. It's gonna be extremely hard too because you were our mother, our mom, you are the best. We are truly thankful and grateful that God gave you to be our mom and we're truly thankful grateful that God gave us to be your sons and and we truly thankful grateful for that having a mother like you God gave us the greatest gift of all time of of you being our mother, our mom and we, thank for the time and cherish the time we had with you on this earth and when it's me next time to come home I look forward for the day that we walk me and Nick and you walk the streets in heaven and tell you our stories from my journey and we can laugh about our stories of our journey while we're while we were on the Earth I look forward to that day we're hurting so much cause we missed you and mom. I promise we will get justice for your mom and we'll try to carry on and live for you while you live in us memories love laughter, forgiveness, mercy, and love my mom. I love you so much. I miss you so much. You're the best mom truly faithful grateful God gave you as our mom. I'm truly thankful and grateful for you as our mom our mother we love you so much we miss you. I don't know how we're going to live without you because you were the foundation that would keep us on the on the right and narrow path.
