

Fred Sentell

January 3, 2025

It is with great sadness that we announce the passing of Fred Sentell on January 3, 2025 at the age of 65 after a long and valiant battle with cancer. He was a resident of Waterford, CT. Fred loved spending time outdoors, taking journeys on his Harley, walking the beach with his dog Holly or enjoying nature with his beloved wife of 10 years, Christine. When not riding, Fred could be found watching old movies, tinkering with whatever needed fixing - he could fix anything, or in the kitchen preparing a meal to share with his family. Fred was a plugger and could often be heard saying - "I got this". Fred leaves his wife Christine, step children and grandchildren as well as numerous friends. He was taken too soon and will be sadly missed by those who loved him.

“ It was an honor and privilege to take care of Fred during his journey. He brought smiles to everyone's faces when he came in. We all admired his strength, endurance, and sense of humor. He always loved his piping hot coffee paired with a good movie and warm blanket.
I enjoyed the time I was able to spend with him and pray he is finally pain free.
Christine, you were his rock and I hope amidst all the sadness, you can find happiness knowing you were his biggest support system through it all. I know he is watching over you.
Much love,
Marissa

“ Fred.. I wish I could say I’m sorry.. but I’m not..I’m happy you are pain free now and not suffering, that brings me peace.. I’m sad for Chrissy who is suffering with your loss and I have no words that can help her through her losing you..her best friend, companion, her everything. I’m honored to have met you and your wife, and was your friend. I will honor you every January 3rd with a 45 shoot, and a cold beer and cheer to our friendship. I hope you have found you son and dad and are enjoying the other side. May you rest in peace and watch over Chrissy, as we will.
