“ Theresa, Justin and Timothy -

We were so deeply grieved to receive word of Gerry's passing. Please know you are in our thoughts and prayers during this sorrowful time and in the difficult days yet to come. We have known Gerry many, many years...grammar school, high school and around town. He was passionate in everything he did. My husband David upon hearing this news sat in silence with his head down. When he finally looked up he declared that he had the best of times with Gerry after school and into the "wee hours" of the morning. Non stop laughing and conversation. I enjoyed meeting up with Gerry and Theresa at the tax office each year. I was receptionist and each year I would look up their name on the appointment calendar to make sure they were coming in on a Saturday. Loved his conversation about his kids, his business, the economy, politics and recollection of good times in the past. Always had a genuine concern of how we were doing. Such a special and loving man. We will treasure our memories. He came from a great family and carried that on by being a loving husband, a fantastic father and a great friend.

To the entire Couture Family, our most heartfelt sympathy.

“ *My dear brother Gerry always gave me sound advice and unconditional love. The last time we spoke we knew it would likely be the last. I kissed him on his forehead and he looked at me and asked, "How are you doing? Is everything ok?". Gerry never stopped caring. Simply one example of Gerry's devotion to those he loved, especially his beautiful wife and children. With a heavy heart, Emilie*
