“ *I'll always remember all the times we had together - though few and far between - they meant the world to me. Thank you for always making sure I'd get my Rhode Island "delicacies" every time I'd visit, for going out of your way and having to drive Memere and me everywhere you normally wouldn't go - but went because I was there - and waiting patiently in the car, for all your stories, the laughs, and most of all for just being you. RIP Pepere, I love you.*
