

Jacqueline Pelletier

March 20, 2015

Pelletier, Jacqueline passed away March 20, 2015 in Johnston. Born in New Bedford, Jackie was a beloved daughter, sister and aunt. She leaves behind three sisters, Claire Levesque, Pauline Glennon and Rita Goguen, and one brother, Leon Pelletier. She was predeceased by her brother, Richard Pelletier, and her parents, Leon and Rita (Charron) Pelletier. Jackie was an attentive and thoughtful Auntie to 17 nieces and nephews, who all remember her kindly for many reasons her love of Christmas, her generosity, her infectious laugh and her steady, reliable presence. Jackie retired from AON Insurance Company after working for 40 years in the insurance field. Ten years ago, she suffered a stroke, but remained capable of living independently and on her own terms. She was very courageous and weathered her illness well. She is at peace now, and though we will always miss her, the family will honor her wish and no public services will be held.
