“ Oh it is late but I just discovered Jerry's obit. He was like a big brother to me when he was at URI. Jerry, Bill, Richard B and JB spent weekends at my mother's house. There was music all day all night long. Jerry taught me to play guitar. Mom moved us away buy I never forgot them all. I am - belately - so sorry for your loss.

“ To Gail and family, my deepest sympathies on the loss of Jerry. I went to high school with Jerry and remember him as a witty, smart, impish guy. (I remember you, too, Gail!) I will never forget our 8th grade English teacher, Miss Nillson, who would call him Mr. Hatfield because she was sure that his given name was Gerald, not Jerry. I hope the company of family and friends will ease the coming days.

“ I knew Jerry as a teenager and have very fond memories of him as a sweet boy who never appeared other than friendly and kind. I am not surprised that he turned his talents to community service. He was handsome and talented in addition to intelligent and caring and I am saddened to read of his premature death. My deepest condolences to his family and friends.

Dear Gail, Kelly, Cara and Ashley,
I'm so sorry about Jerry's passing. We lived across the street on Mt. Hope Ave. Jamestown. Jerry helped my deceased husband Kevin, build our deck. Jerry was talented and patient. I used to babysit Kelly and Cara after school. Maybe they remember me. We once won a kite contest in Newport. So sorry for your loss. Sincerely, Carol, Elizabeth and Patricia Lavin

I had the privilege of working with both Jerry and Bill as Department Chairs at CCRI. We tackled many difficult issues throughout the years on behalf of the faculty, staff and students at the College. No matter where we stood on the issues, at the end of the day, we were friends and colleagues. I have very fond memories of sharing conversation, beverages, and food at the annual BBQ with Jerry and Gail at the President's house. My thoughts are with the family during this time.

Dear Hatfield Family, I would like to extend my deepest sympathy for the loss of your loved one Jerry. We were fraternity brothers in Phi Kappa Psi at URI during the late 60's. He was a brother with proven leadership abilities when he served as president. Always kind, thoughtful, and faithful Jerry was a credit to our fraternity. I enjoyed his poems and meanderings on facebook the last few years. He will be well remembered. God Bless.

I just saw today in the URI Alumni magazine of Jerry's passing. We were contemporaries in Phi Kappa Psi. I joined as a sophomore and he was especially helpful in helping me fit in. Later, he encouraged me to pursue leadership positions. He was one of the best: friendly, kind, empathetic- a real leader and a good guy. Condolences on his passing.

I just learned of Jerry's passing today and I'm so sorry for your loss. I knew Jerry at URI where we fraternity brothers in Phi Kappa Psi. He was a kind and gentle spirit, thoughtful and talented. We reconnected through Facebook a few years ago and I always enjoyed the views that he expressed and his sharing of things that he found interesting. Sorry to lose him.
