“ John was such a pleasure to take care of. He was always joking with Cathy & I and flashing that smile. He would tell me all the time that he was “just trying to keep me busy”. I always enjoyed talking to him, especially when we would talk about my grandmother, who he used to play cards with. After getting to know John, I know why she enjoyed his friendship so much. His sweet soul will be greatly missed by many!

“ Dad, your battle is now over, no more tears flowing down your check. No more pain, no more suffering, now you are no longer weak. I still do not understand why this had to happen to you. But I know I am proud to say you are my Dad, the greatest man I ever knew. Love you Karen
