September 23, 2021

John T. Pelletier, 33, passed away September 23, 2021.

Born in Wakefield, RI he was the cherished son of Susan L. (Conley) Pelletier and the late John T. Pelletier; devoted father of Armanna age 9, Anthony age 5 and Sienna age 3; brother of Nichole Pelletier (Jason Lourenco) and his twin sister Jessie Mattscheck (Stephen Mattscheck); grandson of Norma Conley and the late Robert A. Conley, Raymond and Ellen (Boyle) Pelletier; beloved boyfriend of Kerry Macera. He also leaves many aunts, uncles and cousins.

His beautiful smile and baby blue eyes would warm your heart in an instant. He loved his family and his children above all else. One common memory that has been shared by many since his passing is, "John always had a way to make me laugh". John was a lifelong resident of Narragansett. At 12 years old John began his cooking career at Turtle Soup Restaurant, followed by Phil's Restaurant and Town Pizza of Exeter. John will be deeply missed.

Family and friends are invited to attend his memorial which will be held on October 10, 2021 between 12:00 and 6:00, at the home of his sister, 626 Ten Rod Road Exeter RI 02822, to share memories of Johnny and put his soul to rest.

“ We grew up together John. I have tons of pictures of us as kids playing and enjoying our early lives. As an only child you were like a brother to me. Many many beach trips, sleep overs. Watching 80s action films. Running around recreating Terminator in our imaginations in the back yard on Great Island. Playing with G.I Joe's, Legos. Your presence in my life is eternal, and I wish I could have known you as an adult more than a few bump into's here and there for the past 10 or so years. You were and are always in my thoughts...

“ I’m sure I met John at some point. My son Justin Hart was friends with him and passed away unexpectedly on 8/1/2021. We are having his memorial tomorrow! Justin passed away due to a accidental overdose and fentanyl! I’m sure he greeted his friend at the pearly gates! Rest In Peace my young friend! Way too many have been taken from the RI community and it is truly a horrible disease! Justin also leaves behind 2 young children ages 7 and 2 who he loved dearly!
