“ My family and I had the pleasure of being Joe and Gerry’s neighbor in Barrington for nearly 10 years. The kindest and most warm hearted, Joe always enjoyed when my son stopped over to say “Hi Joe”; Joe always welcomed our son with open arms. He never thought twice to help us with whatever was needed — to snow plowing, and picking us up at the airport. My fondest memory was helping Joe set up his brand new laptop! He was so excited. You will always be in our hearts, Joe. May God Bless You. Love, The Lofaro’s.

“ Joe and I were best friends back in the early 60's. Joe had a Ford Convertible, and did we have some good times!! We shared our love of cars, working on Bob Munroe's #42 that was one of the fastest cars at Seekonk Speedway. Joe and I also loved hockey, attended many Providence Reds home games at the Old Rhode Island Auditorium. Noisy, smoky, but did we have fun!! We had a tabletop hockey game, and spent hours around the kitchen table!!!
