“ You have always been a second mom to me since I can remember. The memories we share go back to when I was little. You were always on my side and now you are a beautiful Angel in the most beautiful place this world has to offer. I hope you and my daddy are watching and guiding me through this life and protecting me from above. With all my love , Brittnee Briggs 💕💕

“ I met Kathy several years ago at Richmond school, then our boys were in scouts together and I just met her again several months ago when my mother moved to Royal Health Center in Westerly. I am so sad to read of her passing. She was so kind and wonderful with the residents whether she was was playing ball, doing crafts or playing trivia. She made me feel like my mother was getting wonderful care and attention and I will certainly miss her on my weekly visits. Keeping her family in my thoughts & prayers.

“ I met Kathy while working at the bus company together. She was my monitor. Kathy always had a kind word, big smile & great laughs at silly jokes. We worked well together !! Although after she left the bus company, I only saw her occasionally (few & far between) I will miss our chance meetings/run ins. RIP Kathy thank you for the laughs 💔😭
