“ Hey Lady! That was our greeting. So sad that I will not hear that any more. Kat was full of energy. If you were lucky enough to gain her trust, that meant a friendship that knew no limits. I was lucky enough to meet and become friends with Kat while we were stationed at RAF Mildenhall England back in the late '80s. We kept in touch after we moved on from there. Her smile was something else and she had a great sense of humor. I Had the honor and privilege of calling her friend, sister and fellow SP from the military. Rest well sister, my days will be darker since you have left, but I will tell the stories and that will make me laugh!

“ Kat was a dear friend for me at RAF Mildenhall. We shared a Lot then. Time and distance kept us from being closer, since then, but we still touched base. She Loved her Kids and stayed as sweet and sarcastic as I remember. My world is a darker place without her in it.
