February 3, 2025

Laura L. Morrow, 55, passed away on February 3, 2025, at Rhode Island Hospital. Born in Warwick, she was the daughter of the late Gilbert and Eva (Medeiros) Morrow.

Laura is survived by her beloved children: Joseph Morrow, Cody Morrow, and Troy Pollard, Jr. She was the cherished sister of Manuel Morrow and the late Roy Morrow. She also leaves behind her beloved pets: Gilbert, Rebel, Liberty, and Vie.

A graduate of West Warwick High School, Laura worked for 14 years with Chartwells in the Wakefield school district, where she made lasting connections with colleagues and students alike.

Beyond her work, Laura found joy in the digital world, spending time playing World of Warcraft and connecting with friends on IMVU. She was also a DJ for an online radio station, known to many by her on-air name, "DJ Desire." Her passion for music extended to her love of karaoke, where she truly came to life as the heart of any gathering.

Laura will be remembered for her vibrant spirit, her ability to bring people together, and her deep love for her family, both human and animal. She will be deeply missed by all who knew her.

A Memorial Service will be held at a later date.

“ Laura and I worked at Broad Rock School before Covid. We had a blast making the Pizzas every morning! I used to call her my Little Elf because of how cute she looked in her elf hat at Christmas time. I love and miss you Laura.

“ I'm so sad, you were supposed to make it through this. We used to start a two woman mosh.Pit, whatever place we went 2 have a few drinks. Including the station nightclub. It didn't matter what kind of music was playing rap or country or metal.We always started a headbanging 2 woman mosh pit. We call each other jackass, because of watching happy gilmore at the drive in maybe more than once. This really sucks man. I wish you were still here so we could compare more memories. However, you are not so no, you can share memories with Quenton aka "Q" have some birthday shots in the sky. I know how much you loved your kids and family and did not want to leave them.And i'm sure you're already watching over them. You have a lot of people on the other side with you.I hope they welcomed you well. You'll have to let me know if there's any. Alf, puppets, where you are..
YOU SURELY WILL BE MISSED!!
