“ I have just learned of Linda's passing and I am crushed. Linda was a loyal supporter of our nonprofit kitten rescue in NJ, Kitkat Playroom. She donated just days before she passed toward one of our blind kittens, Eden. I am so very sad to lose her. She sent the kittens toys to go home with, and money for their medical care. I just emailed her to find out why our Christmas card was returned to us. I hope someone in her family reads this. She was really special to us.
