“ Hi Linda, I miss you so much, it hurts. You'd be proud of dad, as always. The services were absolutely beautiful and he did exactly what you wanted, as I'm sure you already know. Like everyone else, especially those closest to you, I'm devastated and there is nothing I can say, but at the same time I want to say everything to you. I've been talking to you a lot these past days and once again, I want to sincerely thank you for bettering the lives of me, my sister, and my dad. You've done more to change the trajectory of my life than you may know; thank you. I love you so much and I miss you so much.
