“ Robin, I'm so sorry for your loss. I've often thought about your mom and unfortunately never looked in her. I have nothing but great memories and I'll treasure them for the rest of my life. Your mom was a wonderful person, friend and Godmother, who taught me to love animals. May your mom Rest in Peace. Should there ever be a service I would love to attend.

“ Lois was a lady who cared about her fellow workers and helped make our work much more fun.
She helped clients relax when they called about their pets.
She will always be missed.
My sympathies to her family
