

Mary Merideth Fry

October 27, 2024

Mary Merideth Fry, 76, passed away peacefully at home on Sunday, Oct. 27, 2024 with her family by her side. The daughter of the late Everett Sprague and Dorothy (Kenyon) Sprague, she was born in Cranston, RI.

Mary's hard work and natural curiosity led her to graduate with a degree in Biology from Westbrook College in Maine. During her time in school, she met and later married her loving husband, William. Married to her best friend for 55 years, they lived and raised a family in North Kingstown, RI. Mary was a truly selfless person and prayer warrior who had a great love for her family. She also had a passion for reading and gardening, and enjoyed watching her hummingbird visitors return each year.

She spent 25 years working for the North Kingston School System before retiring in 2009. Throughout her life, Mary loved the Lord and attended Stony Lane Baptist Church and most recently Living Hope Christian Church, both in North Kingstown, RI. Thank you to all who supported Mary and our family while in treatment and hospice. Mary will be greatly missed by her family and friends.

She is survived by her husband, William Hazard Fry, and their children Mathew J. Fry and his wife Rosaine of New Smithville, PA and Jarret J. Fry and his wife Nancy of Exeter-West Greenwich, RI. She is also survived by her

four grandchildren Benjamin, Malinda, Zachary, and Andan Fry, all of whom she loved dearly.

Private services will be held for the family. In lieu of flowers, please make donations to Living Hope Christian Church <https://lhcc.info> or the American Cancer Society <https://donate.cancer.org/> .

“ We met several years ago in the grocery store when we both reached for a large root vegetable. Mary asked me if they were yellow turnips or rutabagas. I replied that it was determined by where you lived. Southerners call them rutabagas and Northerners call them yellow turnips. We both just called them delicious. Every Friday morning I would see tiny "the rutabaga lady" shopping with her tall husband so eventually we invited them to our home for lunch and I was blessed with a very good friend. Mary said I made her laugh...and we did a lot of laughing together even as her health declined. I count myself very fortunate to have her in my heart now.
