

Mary Ann King

August 27, 2025

Mary Ann King, lovingly known as Ma, passed peacefully on August 27, 2025, surrounded by her family. She will be remembered for her strength, her laughter, and the unconditional love she gave so freely to those around her. In her final moments, her family gathered at her side and read her favorite Scripture, Psalm 23: "The Lord is my Shepherd... Even though I walk through the valley of the shadow of death, I will fear no evil, for You are with me." These words brought comfort and peace, reminding us that she was not alone but carried gently into the Lord's eternal care. Mary Ann is survived by her daughters Lori Ann King (Eric Harrison), Donna Lee Handy (Marcus Handy), and Cheryl Lynn Freeborn (Robert Freeborn), and by her son Timothy Joseph King (Julie King). She is also lovingly remembered by her grandchildren and great-grandchildren, who will forever cherish the love and wisdom she passed down through the generations. She was preceded in death by her beloved husband, Thomas Edward King, and her son, Thomas Edward King Jr. A memorial service to honor her life will be held on Thursday, September 11, 2025, at 4:30 p.m. at NDAC New Dimension Apostolic Center, 100 Niantic Avenue, Providence, RI 02907, followed immediately by the repast/reception at the same location. Though her earthly journey has ended, her love and legacy live on in the hearts of her children, grandchildren, great-grandchildren, and all who knew her. Her family takes comfort in knowing that surely goodness and mercy followed her all the days of her life, and now she dwells in the house of the Lord forever. The family wishes to express their heartfelt

thanks to all who have offered love, support, and prayers during this time.
Your kindness is a great comfort and blessing.

“ I would like to extend my deepest sympathy to all her children. Timothy was always at our house. They have lost a mother who loved her children deeply. I am sure her grandchildren and great grandchildren were as equally loved by Mrs. King. She is heaven laughing with family & friends who entered God's Kingdom before her. To her family please remember the great person she was. Keep her memory alive by telling stories of her. Telling stories and sharing memories will help you during this difficult time. It will hurt for a long time. But the laughs and thoughts of her will eventually make it less painful. She is within all of you.

Mrs. King was so beautiful inside and out. I called her Lauren because she looked like Lauren Bacall. She would smile. Her mother whom we called MaMa could be found at our house almost every day. Mrs. King made a ceramic elephant for my Mom that I still have. She was so giving, loving, fun and cared about anyone she ever met. Our whole family loved her so much. I had a great childhood and she was part of making it great. I have missed her so very much after we lost touch. How very sad I am that this world has lost such a wonderful person.

She will continue to make me smile like she has all these years.
May God bless you all.
