

Meredith Golden

October 4, 2023

Meredith Golden, 75, passed away on October 4, 2023. A wild and adventurous woman (but also a lady). She was a trailblazer in the women's liberation movement, gay rights, civil rights, the child care coalition, and the peace movement.

She was a French teacher, an ESL teacher, a Special Education teacher, a property assessor, a poet, a writer, a singer, a dulcimer player and much more.

She is survived by her life partner of 51 years, Nancy Marsh.

Meredith was charismatic and a talented person with a brilliant mind, great sense of humor and a calming presence. She will be missed by all who were lucky enough to know and love her.

Rest in peace after a life well lived!

“ Meredith was family for sixty years. She was smart, critical and funny. Her interests were wide-ranging and included mushrooms, folk music, books and words. She made my life bigger. I am so grateful to have known her.

“ Meredith was my oldest East coast friend. Fifty plus years. Will miss our walk in the woods with Nancy & the dogs. Just the joy of hanging out together. Our love music. Her dry rapier like humor. And the quiet smile that would light her face.
