February 15, 2023

Nina Silva (née O'Brien) /fka Nina Bergin: A loving wife, mother, daughter, and friend, peacefully passed away on February 15, 2023 at her home in Cranston, RI surrounded by her family. She was born February 25, 1949, in New Hampshire, the daughter of the late Nina Meshenberg and Edward O'Brien. She lived her life always caring for others. A nurse at the Providence Lying-In Hospital in her twenties. She left her loved profession to raise her family, returning years later. She ran specialized units at Briarcliff Manor and Lafayette Rehabilitation, caring for our elder generations with a loving heart and tender hand. Nina was always accepting of everyone, regardless of race, religion, or personal beliefs. As the owner of Snowy Mountain in Bethlehem, NH, she spent several years as a caretaker to all and surrounded everyone with all the beauty nature has to offer. A friend and confidante to many. She is survived by her husband, Stephen E. Silva, and children, Robert O'Neill, Nina Barrios(née Bergin), Tonya Silva, and Stephen G. Silva. As well as, twelve grandchildren and 6 great grandchildren. At her request, no formal services will be held. Please remember her loving, tender, spirit within all the beauty of nature surrounding us that she loved so much.

“ *Nina was the best grandmother in the world. She always had your back and loved everyone around her endlessly. Most of my memories of her are in the beautiful mountains of New Hampshire, sunny days in her backyard, or coloring/making art projects at her dining room table. She is missed so much by her entire family. Love you, Grammy! ❤️*
