“ *The world lost a great man! You were always the most generous to those who did and didn't deserve it but that's who you were. I'll never forget that smile and those corny jokes you told or when you ran hot and caused madness then stormed out. You'll forever be my favorite boss! You put in a lot of hard work during your time on earth and now it's your time to rest. Enjoy your peace and save me a spot! See you on the other side buddy* ❤️

“ *It was such a pleasure having Ray as part of our family. He would do anything for anyone in need. We will never forget the great Thanksgivings at his house when he was married to my sister Denise (who was omitted from his obituary). I thought of him as a brother. Rest In Peace Ray
The world lost a wonderful kind soul.
