

Robert Zach Moseley, Jr.

November 16, 2022

It is with great sadness that we announce Robert Zach Moseley Jr. passed away on 11/16/2022. He went peacefully in his sleep, ending his long battle with cancer. Rob lived in Florida for many years and had recently moved to Rhode Island to be with his family. He was a proud Army Vet, an avid fisher, a lover of Nascar, Dr. Who, and of course- Deadpool. He is survived by his father Robert Zach Moseley Sr. and his wife Dorothea, his stepmother Erica Lerch, his daughter Alisha Tavares, her husband Bryan and their daughter Emmy, and his son Paul McCrohan, his wife Katey, and their son Riley. Rob is also survived by his amazing siblings Joe, Mel, and Stacey and their families, his aunts, cousins, and extended family members, his Florida family and his roommate and best friend Joan. There will be a small gathering for the family soon, followed by a barbeque this summer at his request. We will remember Rob for his sense of adventure, his humor, and his laughter in the face of everything. We will always carry him in our hearts. Rest in Peace Rob.

“ Rob was my first friend. The best big brother a girl could have. He always made me laugh. No one could tell a story like him. I will miss our phone calls in the morning. Our calls as he got his sweet tea and cheese Danish. Trips to the Daytona 500. So, many reasons to miss him. My life is better and blessed because you are my brother. Love you!

“ I met Rob about 3 years ago. He was the best man that I'd ever met. He would give you the shirt of his back, which he did, or send you one. He grew my love for Deadpool. Maximum Effort was our saying. Its going to be hard to not call his phone for our daily drive to work. I'll cherish our time in Florida and days in Massachusetts. I know he is above watching over myself, his family, and friends everyday all day. Love you, until we met again. ❤️❤️

“ I worked with Rob for the last 5 years or so. He was more than a coworker, he was a friend, my big brother and Uncle Rob to my son. I have many fond memories of Rob and will hold them near and dear to my heart. I’m sad I won’t have his name appear across my phone screen, calling me to talk about work or give me a hard time about something.
I’m thankful to his family for allowing myself, my sister, Amanda, and our Mom to come visit him in Massachusetts to say our good byes. Keeping his friends in family in my thoughts and prayers.

“ I only got to see Rob when we would visit my sister-in-law Lynda who became very close with Rob. He would do all sorts of helpful things for her. He was so much fun when we played cards. So sorry for your loss and am sure he'll be missed.

“ I was blessed to share a beautiful and special friendship with Rob. We met 1 1/2 years ago after I lost my son and husband and moved in to my new house across the street from Rob and Joan. He was my friend from the first day and our friendship just grew from there. He met my family and became one of us immediately. He loved us and we loved and adored him. His friendly spirit and his love to take care of me was a gift to me. I will miss him everyday but so blessed to have met him and made a new best buddy. I love you Rob and I know you'll be watching Yellowstone and football with me. Rest in peace my special friend.

“For the last 6 weeks I've been taking care of rob. He was a great man always apologized for inconveniencing me. I was happy to do it. I told him it was ok to stop fighting and that we all loved him, his last words were in response to that, "I love you all"
