Robert was very active as a coach for women's softball league in Warwick for over 20 years. He loved fishing and camping. He had an incredible memory, and could recall stories from eighty years ago as if they happened yesterday. He gave us a strong sense of family, and that will be with us all of our lives. He and his friend met their wives at Crescent Park during WW2, the wives were best friends. Both were married 30 days later and many said they would never last. Every July 3rd, both couples would talk to each other to see if they would make it another year, both couples survived 65 years together and mom and dad lasted 68 years.

Dad took great pride in his family, and hopefully we will continue to make him proud, we will miss him.
