“ I’m very sorry to hear of his untimely passing. Uncle Bobby was truly full of life, I remember as a child growing up, whenever we would go visit my Grammie he would be there to and he was always clowning around and being funny. I’ll always remember all the good and fun times with him. Julie, thank you for taking care of your dad for his final days of his life. He will be forever grateful. He is now pain free and fishing in heaven. Rest In Peace Uncle Bobby... 😊

“ Bobbie was always full of life , there were so many years when we were younger that he would meet me and one of my Deputy buddies and we three would spend the whole day deer hunting . Bobbie came to me once for advice on the court systems and he always remembered what i told him. Even when we were little kids, we always found things to do and no mater what it was , he never complained . If someone needed help , he was always there for them. He was a great father to his children and always showed respect to other people. I will always remember him as a great brother and i am very thankful i had the privilege to talk to him before he passed on and i will always miss him, Don Williams, older brother
