“ *Uncle Billy was my favorite Uncle. He was the most like my father, whom I love and, miss dearly every day. I liked Uncle Billy so much that I asked him to be my Godfather for my Confirmation. I am happy that I was able to visit him at the Vet's home, with my son Ian, before Covid-19 hit. He was and, will always be a great part of my growing up in Bristol. He will surely be missed and, thought of often.*

“ *i had the great fortune of knowing Bill as a friend and a work partner. we worked together at kaiser, and for Frank Silver, Bristol county movers. From the time in his presents till we parted for the day , he was a positive influence on me. I loved him for his kindness and caring quality. Do not on any circumstance mistake that outside demeanor for anything else but an out going person. R.I.P. my friend, you are loved. Ron Paiva*
