

William Orson Roy

October 26, 2021

William Orson Roy, 76 passed away October 26, 2021.

Born in Woonsocket, RI he was a son of the late Andrew and Edith (Cook) Roy; devoted brother of Arthur (Eileen) Roy of Burrillville, RI and the late Thelma Carpenter, Dorothy Roy, David Cook, Henry Roy, Alfred (Laurianne) Roy and Noel Roy. William leaves behind many nieces, nephews, and great-nieces and nephews, but no one cherished him more than his great-niece Angelia Roy and her spouse Kerri Schobel, who served as his caregivers for the last ten years.

William was a proud Veteran of the United States Army. He earned his Parachutist Badge, Expert Badge for Rifle and was a 2nd Class Gunner. Before retirement William worked as a truck driver.

Being a man of faith, he was dedicated to scripture and was always willing to help those in need.

He enjoyed spending time with loved ones and was always cracking jokes with family, friends and strangers he came across along the way. A man who was determined to live his life optimistically, he kept his glass half full till the end. He will be greatly missed by all who knew and loved him.

Donations towards William's final expenses are greatly appreciated.
