

Yvette M.

November 30, 2020

Yvette M. Lebeau Pion, passed away surrounded by her family on Monday. She was predeceased by her husband Russell N. Pion. She is celebrated by her children; David Pion, Michael Pion, Paul Pion, Diana Johnson, Daniel Pion, Gerard Pion, Anna McLaughlin, Mary Surkont, Dennis Pion, Stephen Pion, Melissa Liversedge and the late Jeannine Brown and James Pion. She is also celebrated by 35 grandchildren, 42 great grandchildren and 6 great great grandchildren.

Yvette lived her life with endless patience kindness and love. She was an artist, an avid whistler, card shark, and perhaps the fastest potato peeler in the East.

She was happiest when she was surrounded by the love and chaos of the family that she created. Yvette radiated with pride when she was in the presence of her loving family. Every visit with Yvette ended with, "I love you, sweetheart." She was the ultimate matriarch and taught younger generations the important lesson that there is always room for more at the table. This lesson rang true when Yvette and Russell took one more, Kevin Smith, into their already full home. She had a deep sense of inner peace and gratitude. Always thankful and kindhearted, she led by example, never having a negative word to say about anyone. She taught her family that even though you may not have much to give, give it to others in need. It was a true honor to be in her presence and one of life's greatest gifts to know her. We will

always remember the love and encouragement she showered over us.
